Mr. Tim Stickley
Boy Scout Troop 308
118 Cotton Bend Drive
Huntsville, AL 35824

Dear ^{Tim}~~Mr. Stickley~~:

Congratulations! I am extremely pleased to inform you that Boy Scout Troop 308 has been selected to receive the very first US Army Garrison - Redstone Environmental Award for Natural Resources. This award will be presented annually in recognition of environmental stewardship.

This year Boy Scout Troop 308 is recognized for its ongoing contributions to the natural resources and their stewardship at Redstone Arsenal through both troop and Eagle Scout projects. The projects, which have ranged from building and erecting wood duck and bluebird nesting boxes and running a household hazardous waste collection and turn-in to cleaning up trash in wetlands and adopting the Path to Nature as a site for numerous maintenance projects, have contributed to the Garrison's commitment to the environment by helping to protect, maintain and enhance a variety of natural areas and resources on Redstone Arsenal.

The award will be publicly announced and presented at Redstone Arsenal's annual Earth Day/Arbor Day event on Tuesday, April 22, 2003 at the Path to Nature. Awards will be presented as part of the Earth Day/Arbor Day ceremony, which begins at 10:00 a.m. We hope that you and as many members of Troop 308 as possible will be able to join us for this event and the celebration of the collective accomplishments of our award winners.

Please let us know who will be designated to receive the award by contacting Susan Weber at 842-0019. Also, please have the person designated to receive the award for the Troop arrive by 9:30 a.m.

Sincerely,

TIM,
I AM
PROUD OF
OUR TROOP

Robert J. Devlin
Colonel, US Army
Garrison Commander
